

Donation Form

youthreach is a charity serving Simcoe County that is committed to providing opportunities for children to have access to recreational programs.

We raise dollars to fund families through grants of up to \$250.00 so that their children have the chance to participate in the activity of their choosing, that otherwise they would not be able to afford.

By making your donation today, you will open the door for a child to play, sing, skate or dance! You are giving a family the chance to be a part of a bigger community. You are helping to raise a child!

Thank you!
