

**GALA TABLES & TICKETS**

Join YouthReach for our inaugural gala to raise much needed funds to open the doors for children in Simcoe County to participate in activities of their choosing.

Every year, thousands of children in Simcoe County dream of participating in dance, or skating, or music lessons, or sports.... The demands on their families' finances often don't leave room for these key developmental opportunities, and the children miss out on these life experiences.

YouthReach is determined to change that! We are committed to opening doors to the future for as many children as we can support. In order to meet the growing demand, we raise the dollars from our community to help open those doors! This year alone, the demand has grown by 40%!

The evening will highlight the stories from the children and families that have participated in programs that have lifted their spirits, encouraged the development of critical life skills through their participation, and enabled these kids to be a part of a growing community!

You will be changing a life, you will be opening doors, you will be helping a child look ahead to their future, you will give them and their families a chance to feel part of something more! You will make the difference!
